

Zach Danz

LINGUIST, CODER, MANAGER, LEADER

MEET ZACH

I am a 29-year-old Front End Web Developer who spent six years living in Shanghai, China. I have a diverse range of skills which allows me to bring so much more to the table than just coding. I have a lifelong love of tech, languages, performance, and learning of all kinds. Currently based in the USA.

CODING PROJECTS

API Employee Directory

[See Live View](#) | [View on Github](#)

An employee directory using API fetch request, and a navigable modal.

WebAPP Dashboard

[See Live View](#) | [View on Github](#)
